

(4) supports the efforts of the United States Government to expand bilateral cooperation with the governments of Colombia, Ecuador, and Peru to combat illicit gold mining;

(5) condemns the Maduro regime for directly and indirectly facilitating illicit mining of gold and other minerals in Venezuela;

(6) denounces the Maduro regime's involvement in illicit mining practices in the Amazonas and Bolívar states, which have led to human rights abuses, destruction of indigenous social fabric, deforestation, habitat loss, environmental degradation, and a rise in cases of malaria and other related diseases in Venezuela;

(7) calls for better regional and international coordination among government and industry actors to monitor and mitigate the environmental, human rights, and security risks posed by gold flows out of Venezuela; and

(8) encourages efforts to promote legal, regulated, and sustainable mining practices in Bolivia, Colombia, Ecuador, Peru, and Venezuela after democratic order is restored.

SENATE RESOLUTION 392—RECOGNIZING AND SUPPORTING THE GOALS AND IDEALS OF NATIONAL FORENSIC SCIENCE WEEK

Mr. CRAPO (for himself, Mrs. FEINSTEIN, Mr. RISCH, and Mr. WARNOCK) submitted the following resolution; which was considered and agreed to:

S. RES. 392

Whereas the Senate is committed to the use of forensic science in the investigation of crimes, the prosecution and conviction of the correct perpetrators of crimes, and the exoneration of innocent individuals falsely accused of crimes in the United States;

Whereas forensic science service providers address critical questions in civil and criminal investigations and trials in the United States, including by providing scientific conclusions relating to forensic evidence;

Whereas forensic science service providers partner with—

(1) Federal agencies to build and maintain criminal databases relating to latent prints, DNA, and other information relevant to criminal cases; and

(2) Federal, State, and local agencies to ensure public safety;

Whereas forensic science service providers serve a vital role in the criminal justice system by providing scientific information to investigators and officers of the court; and

Whereas the fourth week in September 2021 is recognized as “National Forensic Science Week”: Now, therefore, be it

Resolved, That the Senate—

(1) supports the goals and ideals of National Forensic Science Week; and

(2) recognizes that National Forensic Science Week provides a special opportunity for—

(A) forensic science service providers to—

(i) acknowledge the contributions of forensic scientists in the laboratories in which those individuals work;

(ii) organize community events to encourage a better understanding of forensic science;

(iii) provide tours to Federal, State, and local policymakers to assist those individuals in gaining better insight into the current capabilities of forensic science service providers and the future demands that forensic science service providers will face; and

(iv) contact and invite local media outlets to cover events hosted during National Forensic Science Week;

(B) local policymakers to—

(i) recognize, through formal commendation or resolution, the contributions of local forensic science laboratories to the communities of those policymakers;

(ii) formally declare the fourth week of September 2021 to be “National Forensic Science Week” by proclamation;

(iii) visit local forensic science laboratories to gain an understanding of the capabilities and needs of those laboratories; and

(iv) discuss the operational needs of State and local forensic science laboratories;

(C) individuals in the United States, including members of the media, to—

(i) attend community events sponsored by local forensic science laboratories;

(ii) take tours of local forensic science laboratories; and

(iii) ask local forensic science laboratories about the operational and legislative needs of those laboratories;

(D) members of the media to highlight local news stories that focus on the work of local forensic science laboratories in the communities that those laboratories serve; and

(E) public safety officers, law enforcement officers, and officers of the court to—

(i) attend community events sponsored by local forensic science laboratories;

(ii) take tours of local forensic science laboratories;

(iii) discuss the operational needs of State and local forensic science laboratories; and

(iv) engage with local forensic science laboratories about working together more effectively.

SENATE RESOLUTION 393—DESIGNATING SEPTEMBER 2021 AS “NATIONAL SPINAL CORD INJURY AWARENESS MONTH”

Mr. RUBIO (for himself and Ms. BALDWIN) submitted the following resolution; which was considered and agreed to:

S. RES. 393

Whereas approximately 296,000 individuals in the United States live with spinal cord injuries, which cost society billions of dollars in health care costs and lost wages;

Whereas there are approximately 17,900 new spinal cord injuries in the United States each year;

Whereas more than 42,000 individuals with spinal cord injuries are veterans;

Whereas motor vehicle accidents are the leading cause of spinal cord injuries;

Whereas nearly half of all spinal cord injuries to individuals 30 years of age or younger occur as a result of a motor vehicle accident;

Whereas the average remaining years of life for individuals living with spinal cord injuries has not improved significantly since the 1980s;

Whereas there is an urgent need to develop new neuroprotection, pharmacological, and regeneration treatments to reduce, prevent, and reverse paralysis; and

Whereas increased education and investment in research are key factors in improving outcomes for individuals with spinal cord injuries, enhancing the quality of life of individuals with spinal cord injuries, and ultimately curing paralysis: Now, therefore, be it

Resolved, That the Senate—

(1) designates September 2021 as “National Spinal Cord Injury Awareness Month”;

(2) supports the goals and ideals of National Spinal Cord Injury Awareness Month;

(3) continues to support research to find better treatments, therapies, and a cure for spinal cord injuries;

(4) supports clinical trials for new therapies that offer promise and hope to individuals living with paralysis and their families; and

(5) commends the dedication of national, regional, and local organizations, researchers, doctors, volunteers, and people across the United States who are working to improve the quality of life of individuals living with spinal cord injuries and their families.
